

## **Virtual Pre-Licensing Class**

**Your first step to starting your own family childcare business**

**March 20 - 24, 6:00 - 9:00 pm**

Completing Pre-licensing training is the first step to becoming a childcare provider. If you want to start your own family child care business, Douglas County Early Childhood Council offers this class to help you get going. We also provide one-on-one navigation services so that you can understand the process and become licensed.

This 15-hour class meets the pre-licensing requirement for family child care homes with an instructor that is familiar with the operation of family child care businesses.

The 15-hour Family Child Care Pre-Licensing course covers:

- Child care rules and regulations
- Child growth and development
- Developmentally appropriate practices
- Administration and business practices
- Health, nutrition, and safety
- Family and community partnerships
- Cultural diversity, equity, and inclusion
- Professionalism

Zoom Link will be sent to applicants prior to the first session.
